

Meadowland Credit Union is following recommendations from the Center for Disease Control and Prevention (CDC) and the Wisconsin Health Department. We want to keep our members and staff as safe and healthy as we can.

We have updated our requirements for opening our lobby. If you choose to enter our lobby, you must:

- Wear a face mask, no bandanas allowed
- Take off your sunglasses and hats
- Follow social distancing and keep 6 feet apart.

Thank you so much for your patience and understanding during this pandemic, and we thank you for being our member.

While we always try to have the best member service within the county, Meadowland Credit Union takes this pandemic very seriously, and we will continue to do what we can to keep the curve flattened. A risk of exposure to COVID-19 or any disease exists in any public place where people are present. According to the CDC, senior citizens and members with underlying medical conditions are especially vulnerable. By visiting MCU, members are voluntarily assuming all risks related to exposure to COVID-19.
