

Meadowland News

Thank your support and loyalty for the last 60 years.

Meadowland Credit Union was chartered on April 18, 1957 as Bemis Employees Credit Union. At that time, the Credit Union was serving only the employees of Bemis Manufacturing and their immediate family members. On January 10, 1995, our field of membership was expanded to include employees of Richardson Industries and their immediate family members. On September 18, 1997, our name was changed to Meadowland Credit Union. We moved into our building, located at 800 County Trunk PP, Sheboygan Falls, WI, in November of 1997. On February 28, 2000, Meadowland Credit Union expanded its charter to serve anyone living or working in Sheboygan County, Wisconsin. MCU expanded and moved our main operations on November 4, 2013 to 1040 North Main Street in Sheboygan Falls, WI.

Please check our Website, Facebook page, and Twitter for our Anniversary CD and Loans specials, and the special events planned.

“For all the progress we have made, some things remain unchanged. We’re still owned by our members and offer low cost loans and great rates on savings.”

We at MCU would like to **Thank You** for your generosity in supporting Children's Miracle Network. This charity is supported by all credit unions in Wisconsin. All proceeds went to Children's Hospital of Wisconsin.

Thank you again for donations!
