

Meadowland Credit Union News and Information

Did we catch your attention? We hope we did.

While it sounds great not having a payment for 90 days especially when its a new auto, be careful it might cost you more in interest, your payment might be higher or the term could be longer.

See the example below:

	MCU	Other Lenders
Loan Amount	\$25,000	\$25,000
Interest Rate	5.49%	5.49%
Term	60 months	60 Months
Payment	\$477.54	\$481.90
Total Interest	\$3,652.32	\$3,913.52

Let's go through some of the differences:

1. Payment has increased by \$4.36 per month
2. Total interest at the end of the loan cost you \$261.20 more
3. You have the loan for 60 payments BUT the final payment could be extended by a couple of months.

So while not having a payment for 90 days is great, please consider all the details to see if it is really worth it in the long run.

Have you heard about...

Signs of a Scam

Often, scammers who operate by phone don't want to give you time to think about their pitch; they just want you to say "yes." But some are so cunning that, even if you ask for more information, they seem happy to comply. They may direct you to a website or otherwise send information featuring "satisfied customers." These customers, known as shells, are likely as fake as their praise for the company.

Here are a few red flags to help you spot telemarketing scams. If you hear a line that sounds like this, say "no thank you," hang up, and file a complaint with the FTC at www.ftc.gov/complaint:

- You've been specially selected (for this offer).
- You'll get a free bonus if you buy our product.
- You've won one of five valuable prizes.
- You've won big money in a foreign lottery.
- This investment is low risk and provides a higher return than you can get anywhere else.
- You have to make up your mind right away.
- You trust me, right?
- You don't need to check our company with anyone.
- We'll just put the shipping and handling charges on your credit card.
