

Meadowland Credit Union News and Information

Meadowland Credit Union would like to thank everybody that help make our Eat For Education event a success. From the volunteers, sponsors, Sheboygan Falls Police and Fire Department and most of all to the members and community. We raised enough funds to help 3 students receive a \$1,000 scholarship each.

Reminder...

MCU Annual Meeting is right around the corner. The meeting is usually the end of February or beginning of March. This is a great way to hear about the success of the credit union from the Board of Directors and the President, while being able to ask questions and voice any concerns. Please consider attending this upcoming meeting.

Common Scams

Business Impostor:

Contact from your bank, a shipping company, a retailer, tech support, utility or other entity claiming there is a problem. They may also claim your auto warranty is about to expire or that they can help you resolve your debt.

Options might include:

1. Press 1 to be connected to a representative
2. Call back a certain number
3. Click on a link to access your account

Tips:

Do not press 1, do not call back a number given to you, and do not click on a link. If you think the call could be legitimate, find a number you know to be correct and call to inquire. And beware of searching online for a customer service number - you may end up calling a scammer directly.
