Summary of Change in Terms for Our Members

TERMS AND CONDITIONS OF YOUR ACCOUNT

As of 8/1/24

MONITORING AND RECORDING TELEPHONE CALLS AND ACCOUNT COMMUNICATIONS

To provide you with the best possible service we may need to contact you about your account from time to time by telephone, text messaging, or email via any telephone numbers or email addresses that you provided to us. For security reasons we may monitor or record phone calls to maintain a record and to ensure that you receive courteous and efficient service. You consent in advance to any such recording.

You acknowledge that we may contact you by voice, voicemail, or text messaging and consent to recording.

IMPORTANT INFORMATION REGARDING “DECOUPLED” CARDS

Decoupled debit cards issued by an institution or merchant other than us, however, allow access to your checking account. You need to refer to your agreement with the decoupled debit card issuer to understand the terms of use for that card. When our documentation refers to “debit cards,” “everyday debit card transactions,” or “one-time debit card transactions,” we are referring to debit cards issued by us, not decoupled debit cards issued by other institutions or merchants. Knowing how the transaction is processed can help you manage your finances, including helping you to avoid overdraft or NSF fees.
